# Select Deep-Sea Salmon Meat Specially Made Super Large Cubes Return to Carnivorous Nature

Cats and dogs prefer meat inherently. In ancient time, quickly hunting in long distance take away lots of energy. Therefore, they preferred to have meat and took some fruits and vegetables as nutritional supplement to satisfy their body.

Kitchen Flavor Nature Gourmet series select various premium meat and delicious vegetables to delight and energize picky cats and dogs.

Nature Gourmet never stops the quest for delicacy. From wilderness to forest, from grassland to deep sea-nothing can stop our determination to search for delicacy for pets.
